Dear Members

It is with much regret that the New Zealand South Devon Society advises it has had to make the unenviable decision to cancel the proposed 2020 World Congress Tour.

This is not a decision made lightly but, due to the Covid-19 Pandemic, the current situation is that only New Zealand residents are able to enter the country. Indications are, this could possibly continue for another one to two years.

We would like to thank all members for their time, support and efforts planning for the tour and offering your farms for viewing.

We look forward to seeing you at the AGM in 2021.

Kind Regards
